Making Schedule Identifier

Exp Date: [Expiration Date]

C
IV

ALPRAZolam
Generic For: Xanax
0.5mg TABLET
Pharmacia and Upjohn Company LLC
Control #: [Control Number]

700028

The Schedule Identifier is two overlapping text boxes. To create a text box in **EDIT LAYOUT** select the **T** on the left sidebar and click anywhere on the label. Type the letter **C** capitalized -> change the font to **Palatino** -> font size is **24**. Create a new text box -> type the schedule (II, III, IV, V) -> change the font to **Palatino** -> font size is **11** -> move them around until both text boxes overlap.
