

MicroGuide Teach Tool: Phone Application

1 Download MicroGuide App

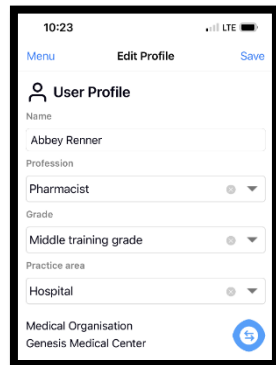

2 Create a profile or use anonymously (creating a profile is recommended as it will keep Genesis as your preferred location)

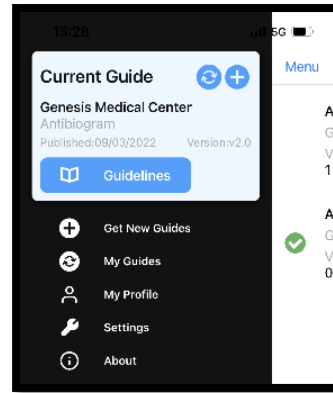

3 Accept "Guide Disclaimer"

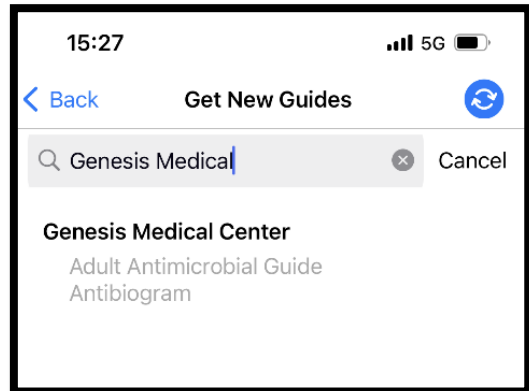

4 Fill out profile and select "Genesis Medical Center" as the Medical Organization (the "grade" selected does not change the information available)

5 Select "Get New Guides"

6 Search "Genesis Medical Center"

7 Download desired guides
 a. Adult Antimicrobial Guide
 b. Antibiograms
